

## **Reference Letters**

**\$10.00 first; \$5.00 additional**

Once you have completed a course, or made good progress in a course listed on this site or one of my courses taught at Nuvvo or Universal Class, you can request letters of reference. There is a \$10 fee to cover my preparation time, materials, and postage via First Class US mail. If the same letter is sent to multiple recipients, the first letter costs \$10, and subsequent letters cost \$5.

If you need multiple reference letters, email me at [webbycyberclasses@yahoo.com](mailto:webbycyberclasses@yahoo.com), and I will bill you through PayPal for the required amount.
