

Course Transcripts

\$5.00 each

Course transcripts can be purchased and sent directly to the school of your choice or to your home address. For each purchase, be sure to send me an email containing your name and the address to which you want the transcript mailed.

If you wish multiple transcripts mailed to your home address that will subsequently be included in applications to schools, these will be enclosed in separate sealed envelopes and mailed to you in a larger envelope. Unless you inform me otherwise, in these cases each envelope will be labeled "Course Transcript for <student name>."

The \$5.00 charge is **per transcript**. Thus, if you need 5 transcripts, you will need to pay \$25 for these to be mailed out. In such cases, please email me at **webbycyberclasses@yahoo.com** and I will bill you through PayPal for the full amount.
